SUMMER 2023

SUMMER 2023

A very warm welcome to Hertford College and to Oxford!

The crest of Hertford College is a shield-shaped emblem. It features a central shield with a cross, flanked by two lions. Above the shield is a crown. The shield is surrounded by a decorative border. The text is overlaid on this crest.

Hertford College was founded in 1282 – it is one of the oldest of Oxford University's 38 colleges. Located in the centre of historic Oxford, our beautiful college boasts the Bridge of Sighs, which is one of the most famous sights of the city. This is an ideal setting for students wishing to improve their language skills and knowledge of Britain and British culture.

**Welcome to
Oxford!**

Pre-programme task: Aspects of Oxford

This is an opportunity for you to research and present on a cultural, historical, economic, political or social aspect of Oxford's rich heritage to your peers at the start of the programme. It is an enriching experience for everyone involved as it allows the teaching team to find out more about your interests, and for you to find out more about Oxford as soon as you arrive.

Please choose one of the following topic areas and come prepared to offer a 5-minute presentation on your research. If you choose history, for example, you may like to look at a specific period or event in Oxford's history. These topic headings are guidelines only and we welcome presentations on any other aspects of Oxford that you find interesting and would like to share with your peers.

Students work individually on this task. Please bring any power points on a USB stick, as external equipment is not always compatible with our IT provisions.

Here are some possible topic areas:

Music: classical/contemporary/Oxford bands etc.

Culture: the arts/literature

History, including Economic History: e.g., the Rover/BMW plant in Cowley and migration

The university and the collegiate system

Geography

Architecture

Events: e.g. Mayday, Oxford-Cambridge Boat race, Bonfire Night etc.

Traditions and Folklore

Oxford alumni

Academic research

Social history

Enjoy your research! We look forward to meeting you this summer.
